Mousebound takes place in a strange world. Unfortunately, this isn't the kind of world in which you can simply hide your mouse. Various monsters and mystical beasts prowl the wilderness of this strange land, trying to reclaim their territory by any means necessary. In order to defend yourself, you'll need to do three things: Protect the garden with your brave little mouse! Find weapons hidden in dungeons! Fight monsters!

Fallout 3 is an open-ended and player-driven post-apocalyptic RPG set in the devastated wasteland of the far future. Characters are defined not by classes, but by a unique combination of skills, attributes, and personality traits, and players decide how they want to play their character, making decisions such as specializing in combat or stealth, altering their dialogue and interaction options, and forging relationships with their companions and other survivors. This comprehensive, in-game manual contains an in-depth introduction to the game, with extensive walkthroughs of the game's five major locations, along with tips and strategies on all aspects of Fallout 3, including the crafting and weapon system, the dialogue wheel, companions and relationships, and combat. In addition, the manual contains numerous gaming strategy guides, including suggestions for the best approach to the difficult quests, tips for entering and departing the game, and more.
