Casa do Conde Casa do Conde is a small natural stone, mudstone house, belonging to a set of masonry buildings. It is located in Braga, in the Caldas da Rainha municipality, in the district of Viseu, Region of the Centre of Portugal.

It was constructed during the 15th century, due to the need to house a cavalry officer and his young family. Architecture The building features a small set of masonry buildings with a typical Portuguese architectural style. It was constructed in Renaissance style, with particular emphasis on the Mudéjar-Moorish style, in the style of the Alhambra. A: Hint: Use $a^n \leq a+b \leq a+b+b \leq a^{n+1}$.

Oklahoma City police believe video footage of a child falling to the ground near an edge of the city's famous Oklahoma City Zoo is now making the rounds on social media, but the child's identity remains a mystery. According to a police spokesperson, a passer-by filmed the incident, which is about 15 minutes long. According to police, a security guard, a zookeeper and a nurse are looking for the child in the video. Although police do not have a full description of the child, they believe it's a child who would be between the ages of three and five. Their mother is in custody

and is being questioned, police said. The incident happened on Wednesday, July 31. "As of right now, no one has come forward with their information," said police spokesperson Sgt. Josh Leach. "It's been two days and
