Rise through the great war to become an Elden Lord in this action RPG. Traverse vast landscapes and fight against an endless army of monsters to take the destiny of the nations of Rarnia. Become a Hero to Win All. "An original RPG that supports only smartphones, which is different from 'Action RPG on the Go,' and promises to take fun into its deep. Please enjoy the campaign story that will draw you in." — AppBahn "Something fun that draws the player in with its splendid presentation." — AppFiction "The story is fantastic, and listening to the journey you go on as you defeat the enemies and complete quests is enjoyable." — Kumagi "Most Android phones can handle the graphics, so you'll be able to play with more than 50,000 monsters and flying enemies at once." — AppTrack: Korean "I liked the universe and the story it was drawn out in." — Smartphonesandtablets.com "The game is the sword and sorcery with a story that is different from the rest." — FreeAndroidApps "The game has a solid story, awesome graphics and character development." — Android & Me "A lot of artwork is displayed in the game." — AndroidGameWorld "It has a great combat system, an epic story line, and a plethora of quests." — Droid Gamers "It's a complete RPG that tells a story that is different from the rest." — PlayTome "It has a good story with realistic voice acting." — AppUnwrapper "It has an interesting system, and a vast story." — AppPicker "It has different story beats and has great voice acting." — AppMuncher "I was impressed by the quality of the development." — Play Store "It's a complete RPG that tells a story that is different from the rest." — PlayTome "It has an original story that is different from the rest." — AppUnwrapper "I was impressed by the quality of the development.

Features Key:

Unique engine: Powered by the Editor of the RPG Action game genre, Fantasy RPG Core$!

Classless Progression*: Strategic leveling systems with no classes! A system in which your item and weapon power and the stats of your weapon, armor, and weapons, as well as the skills of your class all improve.

Dynamic Online*: An online element that loosely connects you with other players and allows you to interact with them as of yet unrevealed characters on your adventure. Through this medium, you can also search for people who want to challenge you to play or fight together.

Easy Character Customization*: Nearly everything about your character can be customized! If you want to combine the class abilities of your favorite unit, or if you want a separate weapon, you can easily set that! In addition, you can even randomly generate a character that is perfect for your play style!* Only rage!

A Frantic, Bawdy Battle*: A fighting style based on the Battle Battle parts of ARPG, Fantasy RPG Core$! Combat is action-packed! Unlike other mobile games, you hold down the attack button in order to unleash an overwhelming attack using the skills of your character! When you're tired, you can rest. At this time, other party members can also rest!* Don't think I'm just talking about engagement skills. When you no longer have enough Hit Points, monsters increase in their aggression, and when your friends drop out, enemies greatly increase in their aggression!* *With entirely different battle styles than Fantasy RPG Core$!! You can even personally adjust the AI of monsters when you're going through APT (Adrenaline Pulse Trigger) skills. We will work to provide more exciting battle through lots of improvements, so please wait for further news! Also, in these parts of the battle, please be sure to fight well! Because if you raise even a bit of the opponent, you can cut down their chances of victory.

The Atmosphere of an Item*: Equip an item that reflects the atmosphere of the book. An item that has a powerful effect when you combine it with another item. And an item that has an effect depending on the desired area you use it in. Such as awakening your own abilities or reducing your Will.

Alternate Missions*: A
