Features Key:

Brandished by the Fell-Dwellers, the Elden Ring is said to be a prize that the Elden no longer ever tire of guarding. A magical artifact passed down by the Elden that was influenced by the region's creation myth. The suffix of the Elden Ring indicates the type of Elden used to craft the artifact and crafts the main weapon of that type. Each time you obtain the Elden Ring through special quests, your main weapon becomes more powerful, letting you feel a greater sense of euphoria as you wield the artifact. Wield the power of the elden with a proper character By building your character using the skills that are matched to the skills of your main weapon, you can wield the full power of the artifact. This skill can be

boosted using a variety of items.

Glowing within the dramatic story of Elden Light Through quests and other forms of content, play a role in the Elden Ring's ongoing story. Dance with the Fallen Elden in the drama, protect the holy relic and relive the story of the races called out to protect the people's ancestral lands.

A deep combat system In the distance lies a world where the people are hunted for their blood, an ancient territory where the races are driven by martial powers. To defeat this world, you only need to rely on skill. Tailor-crafted weapon and armor With over 150 items that vary depending on your gameplay style, you have much to choose from. Engineer weapons and armor based on your play style: ~ A combat specialist can make high-demolition weapons and armor ~ A magic specialist can craft powerful magic weaponry ~ A thief can use their wits to create special weapons and armor. Armor can be combined freely Equip body parts of different creatures to create grotesque combinations I'll be here if you need me~!

----- Don't forget to leave a like and subscribe - Twitter: Health Medical Group, a company that operates four health-care facilities in the Houston area and 18 outpatient sites in Texas, will acquire a Phoenix-based physician practice and a Colorado-based outpatient-care group for \$550 million in cash and stock, the companies said Thursday. The medical-services company said it will acquire all the outstanding shares of Radiology Associates, a company owned by Radiology Health, for \$45 million. Radiology Health owns the Pasadena-based group of more than 125 physicians that was an acquisition by a prior company, Boardwalk Health, which Radiology Associates bought in 2015. Under the terms of the acquisition, Trinity Health will pay \$17 a share in cash and \$35 in Class B common stock of Trinity Health, which has annual revenue of \$3 billion. The acquisition is expected to close in the first quarter of next year. Trinity Health, based in Plano, said it still plans to keep the name Radiology Associates. The group will remain on Trinity Health's medical-services plan for employees and their families as a branded provider, and the clinic's name will remain the same. Trinity Health said it is acquiring Radiology Associates from medical services company Baystate Health Care Physicians. Baystate Health Care Physicians bought Radiology Health for \$86 million in 2014. National Anthem of Sri Lanka The national anthem of Sri Lanka was proposed on 2 September 1955, at a conference held by Mahinda Rajapaksa. The hymn was composed by Fernando Deshonto of the Colombo Municipal Council, as a result of a public competition. It is the national anthem of Sri Lanka.
