Title: How to fix it? Tagline: Spoiler I'm not being insensitive here. I'm not sure what to expect, and I'm not looking for someone to "prove" that we can. I'm just genuinely curious. In any event, here are the different empires. AUS Empire = Australia + New Zealand USA Empire = United States of America BRIT Empire = United Kingdom GER Empire = Germany + Italy FIN Empire = Finland I think the rules you listed may be incorrect. For example, australia's starting civilization will get some sort of cultural bonus, the US's will get some sort of technological bonus, and britain's will get some sort of political bonus. Also, Australia gets an "early start" to discovering space. Originally Posted by Fantom I never played the original Hearts of Iron but that's a really interesting concept. The only exceptions are the S.A.A. and the SCons. It is however important to remember that those are your starting civilizations and they will be directly relevant to the remaining countries (GER, BRIT and FIN for instance).
