overdrive stomp boxes, tube guitar preamplifiers and power amps, and analog compressors and limiters. This is the first installment of the ongoing interview with the creative force behind the Native Instruments sound products. Nigel Godrich is a musician, a producer, and a creative force at the core of the world's most innovative electronic music company. His long-standing partnership with the legendary musician and producer Jeff Beck has been the root of some of the biggest sounds that have come out of the company over the years, most recently with the NKS instruments.
