
I Raf You Big Sister Is A Witch

abigail researches further about the mycelium and its source, while in her apartment, she is knocked out and later revived by misaki and is told that her sister is no longer alive. [6] raelle saves her and takes her to the worm room, where she meets tally and the worms. while in the worm room, abigail watches the last of the nanodust fall into the mycelium, realizing the mycelium is the source of the poison, abigail convinces tally to be an agent of the traveler. the traveler appears and reveals that the traveler has been watching abigail since the beginning, in addition, the traveler reveals that the mycelium was created by the traveler to keep the world safe and was then put in the earth. the traveler is unable to remove the mycelium, but it will be "fixed" when the smoke enters the worm room. the worm room then begins to crumble, and tally manages to flee with abigail. the two are pursued by an acolyte named alva, who is working with the worms. the traveler appears and the two merge. abigail and the traveler work to save as many worms as possible, but tally sacrifices herself to distract alva long enough for the traveler and abigail to escape. the worms, however, are too weak to feed and the fireflies attack the worm room. abigail returns to the academy and is given a new assignment: to help train the new cadets in a magically enhanced combat exercise. at the training center, she becomes a slave to the commander, who wishes to win the exercise against the knight of ravana. abigail begins to realize that this is all a test of her potential abilities and that she is no longer a slave. she learns that she has the potential to be an extraordinary witch, and she seeks out the archmage zentros. abigail's studies with zentros lead her to believe that the worms are an advanced version of the old gods, and that the gods are an advanced version of the worms, and that their power is a reflection of their power. the gods consume the worms, who in turn become their food. as she is about to reveal her true nature, she realizes that her life is in danger and flees.
